TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will open on **Wednesday, January 15, 2025**, at 12:00 PM EST. Entries will be awarded by random draw of all entries received between 12:00 PM EST, **January 15, 2025**, and 12:00 PM EST, **January 17, 2025**.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.

- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have five (5) business days to complete your payment to confirm your space in the trial.

Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive confirmation from Lisa@nose-it-all.com to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the 2024-2025 membership year (8/1/24 - 7/31/25).
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the prior title level and ORT title (passed all 3 odors) at least 14 days before the trial opens for entries. This applies to all levels.
6. Qualified entry for NW2 – Dog has earned the NW1 title and has not yet earned the NW2 title level.
7. Qualified entry for ELT-S – Dog has earned a minimum of one NW3 title or any L3 title (L3I, L3E, L3C or L3V). Note that teams with higher titles (Elite Division and Summit) are also eligible to compete.
8. Qualified entry for ELT – Dog has earned the NW3 Elite title and has not yet earned an ELT-CH title.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above.
- Once the trial opens for entry, if you are having technical difficulties entering during the 48 hour draw period, please email trientry@nacswnet.net prior to the end of the draw period. For any other questions that are not related to the trial entry system, contact the Trial Host Contact.
- No dog will be given a space in more than one trial of the same level and type at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the handler's responsibility to notify Raymond Kohan that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.
- If space remains after all qualified entries are accommodated on **February 12, 2025**, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after **February 12, 2025**.
- The trial host of an event has the right to refuse entry of any handler or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.

- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

Notification

You will be notified via e-mail of the results of the random draw by **January 21, 2025**, at 11:00 PM EST.

If you have a spam blocker on your email account, please configure it to allow email from Lisa@nose-it-all.com in order to ensure delivery of confirmation and information about this trial.

You will then have five (5) business days from notification to complete your payment to confirm your space in the trial. Payment will be accepted by check or money order payable to "Lisa Basial" and mailed to Lisa Basial, 1009 Rockledge Drive, Carlisle, PA, 17015, or **(WAIT FOR IT!)** via Venmo to [@junoransom](https://venmo.com/@junoransom). **PLEASE, please, please** make a note on your check, money order or Venmo payment indicating for which trial(s) that you are submitting payment. (One of the reasons I have resisted electronic payment methods is because the email address associated with your electronic payment is not always the same as your email with NACSW, which makes it a serious pain to figure out who you are.)

Venmo does not charge a fee if you use a bank account. I cannot help you if you have any problems.

If you receive a spot and do not plan to accept the entry, please email us at lisa@nose-it-all.com as soon as possible to let us know. We have no way of knowing if you have received the notification. This will allow us to keep our competitor lists and waitlists up to date. It also gives the next person on the waitlist time to make arrangements to attend if you do not want your spot.

A waiting list for alternates will be started as soon as entries fill. Alternates will be contacted when a space opens. Depending on last-minute event logistics, we may opt to not fill all canceled spaces.

NACSW reserves the right to cancel an event if minimum entry numbers are not met.

Be sure you read and understand the guidelines for this event before entering. By submitting a registration for this NACSW event, you acknowledge that you have read, understand, and accept the policies and liability information of NACSW.

CANCELLATION POLICY

The following cancellation policy applies:

- For cancellation of entries on or before 8 AM Eastern Time **February 10, 2025** – Full refund minus \$25 processing fee.
- For cancellation of entries between 8:01 AM **February 10, 2025**, and at or before 8 AM on **February 25, 2025** – Full refund minus a Processing fee \$25 processing fee if the host fills your space. No refund will be issued if the host doesn't fill your space. If the space is filled with a discounted or free entry, you will receive a refund dependent on the income from the replacement entry.
- For cancellation of entries after 8 AM on **February 24, 2025** – 50% of the trial entry fee will be refunded if the host fills your space. No refund will be issued if the host doesn't fill your space. If the space is filled with a discounted or free entry, you will receive a refund dependent on the income from the replacement entry.

If you earn the title that makes you no longer eligible for the level you are entered, then you must contact the trial host to cancel your entry and will be subject to the published cancellation policy. You may opt to change your entry to an FEO entry in this case and will be placed on the FEO waitlist and only receive a space in the trial if the host is accepting FEO entries.

All cancellations must be emailed to the Trial Host Contact.

For cancellations that meet the above guidelines, refunds will be issued within 30 days of the request and no later than 14 days after the event date.

Entry fees shall not be refunded if a dog or handler is absent, disqualified, or excused by the NACSW official or judge.

This cancellation and refund policy applies to handlers that must withdraw for any reason including but not limited to injury, illness, emergency, and personal or work-related reasons.

If the event cannot take place or be completed by reason of fire, civil disturbances, an Act of God, public emergency, or

any other cause beyond the control of the event organizers, then the event host will make their best effort to provide partial refunds after recouping their expenses.

LOCATION DETAILS

ADA Site Specific Conditions

This site is a school. The parking areas are asphalt and offer little to no natural shade. The outside terrain is grass, gravel, pavement and cement. The pathways, search areas and dog potty areas may require you to navigate several steps, tile, gravel, asphalt, paved pathways, grassy areas, uneven surfaces and slippery footing. Inside search areas and paths thereto may have varying surfaces such as carpet, tile, stone or wood flooring, some of which may seem slippery. Several search areas may include one to three stairs. There may be long walks to several search areas. The grounds are mostly flat and have handicapped-accessible entryways throughout. Due to unforeseen conditions, such as weather or change in availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute.

Modeled after real-life detection work, NACSW events are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to steps, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Events frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Handlers should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at events. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this event at their own risk.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the details below may need to be modified at the last minute.

RV Parking

There is limited RV parking available. We can accommodate smaller RVs in the competitor parking lot and larger RVs a distance from the competitor parking lot, but **DO NOT** assume that we can accommodate your RV. **Overnight RV parking on site may be permitted for an additional fee.** You **MUST** contact lisa@nose-it-all.com to make sure there is space for your RV. If you are in a larger RV parked away from the competitor parking lot during the trial, you are still responsible for monitoring the progress of the trial. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Running Vehicles or Generators in the Parking Lot

Limited running your vehicles or generators in the parking lot is allowed at this trial. If you are doing so, please be mindful of those parked around you and find a space that does not adversely affect your fellow competitors and their dogs. Please be considerate of your neighbors in the parking lot. If you are inconveniencing your neighbors in any way by running your vehicle, you will be required to move away from the main parking area. It will still be your responsibility to monitor the progress of the trial and no one will come to get you when it is your turn to run. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Reactive Dog Parking

There will be reactive dog parking at this trial. Please email lisa@nose-it-all.com if you wish to park in the reactive dog parking area. If you elect to do this, please plan to come to the main competitor parking area to monitor the progress of the trial.

Unentered Dogs

Unentered dogs must remain in the competitor's vehicle during the trial day. There will be ample potty areas, but unentered dogs should not be allowed to "play," exercise, or train on the trial grounds. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Facility/Site Prohibitive Restrictions (e.g. smoking, firearms, alcohol, drugs, video)

Smoking, including the use of e-cigarettes, and firearms are not allowed on this trial site.

DOG INFORMATION

Dog Policies

- All dogs must be on a 6' leash at all times when not searching. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating search space, interrupting a search, or from viewing any part of the searching.
- Handlers should expect to keep their dogs confined in a crate or vehicle when not searching. The logistics of an event typically do not allow for dogs to hang out on leash in between searches. Handlers should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

Females in Season

Females in season will be allowed to run wearing "pants" at the end of each search after all other dogs have been judged. Handlers with females in season should park and toilet their dogs away from the other dogs if the location logistics permit. Handlers must email the Trial Host so plans can be made for the female in season.

Sportsmanship

All handlers and spectators are expected to follow the rules of the NACSW and demonstrate good sportsmanship. This includes making sure the hide placements are unknown to the handler prior to searching and kept secret from other handlers. Please do not discuss hide placement or any details of a dog's performance that may provide information or clues to other handlers or may be overheard.

NACSW Results

Results for each search and overall will be posted after all searches are completed and scores are verified for you to record your results for your own records. It is your responsibility to ensure your scores are accurate prior to leaving trial grounds. If a discrepancy cannot be verified at the trial, you may be instructed to submit a score card review request. It is not the responsibility of the host or NACSW to return score sheets that are left behind or to mail ribbons that are not picked up.

Spectators

Spectators may not photograph or video searches. Spectators are reminded that the hide placements must neither be discussed nor should they speak with any handlers about what they saw until after the event is complete. No dogs will be allowed in the spectator area. No unentered dogs with spectators are allowed at the event. An adult accompanying a minor must be present during the searches. Everyone at the site must sign the waiver provided by the host and comply with all event requirements. Handlers are not allowed to watch the searches at any time.

Videotaping and Photography

At the host's discretion, a video service and/or photographer may be present during the trial to offer videos and/or photographs for sale to competitors.

If the site allows public video to be taken, handlers may wear visible head or chest cameras to record their searches. You will not be allowed extra time at the start line to get your camera functioning. Please be sure it is ready to go prior to arriving at the search area. Videos may not be made public until completion of the event day.

At the host's discretion, a photographer and/or video service may be present during the event to offer photos and/or videos for sale to the handlers.

There is no photography or video allowed by spectators or volunteers.

As a condition of your entry, you agree to allow NACSW, or their agents, to video you and your dog during the entirety of the NACSW event. These videos are the property of NACSW. All handlers, through entry at any NACSW event, waive any and all rights relative to video broadcast or photography of such event.
